# The Providers

**Rhythm n' Blues, Swing, Jazz, Reggae, Rock n' Roll, Blues, Soul, The Providers...  
well... Provide!**

*"Tired of the same ol' cover bands trotting out the same ol' songs? Wondering why you're going out more & enjoying it less?"*

Combining the talents of **Tommy McEwan** (Swingin' Sidewalks, Louis King, Bop Deluxe) on Drums & Vocals, **Jake Mason** (Deode, Cookin' on 3 Burners) on his swirling Hammond Organ & Vocals, with **Bob Valentine** (Lonely Boys, Sweethearts) on Guitar & Vocals, The Providers get the dancefloor Jivin' with their mix of music & good, clean fun.

The Providers can be augmented with a Guitarist & up to 6 horns to really make the room swing. Also available are the cream of female singers & when combined with the Swing dancers from the Swing Patrol - hold on to your Ya- ya's.
