Dear Jeremy & Candice,

Thank You, Thank You for helping to make our wedding reception the great event that it was. The quality of the singing & musicianship and your organizational skills met, and often exceeded, our expectations. We are very happy with our choice of band and look forward to working with Rapture again one day.

Dear Jeremy

May I take this opportunity to congratulate you on your professional business approach. Mario & I have contacted many agencies and bands over the last few months, but we have been most impressed with your prompt guidance and of course your quality product. We look forward to having you entertain us at our wedding.

Hi Jeremy

I want to let you know that Mario & I were thrilled with the band for our wedding. It was just superb. The mix of Italian & English music that you played was terrific. We are both really, really happy. Thank you very much. Please pass on our thanks to the rest of Rapture.

Hi Jeremy,

Just a really quick e-mail to thank you again for a wonderful night at our wedding. The music was superb with Candice being a knock out performer. We have received so many compliments re: the band and the performance and how outstanding the group was, the mixture of songs ensured all our guests had the most brilliant time. Candice's interaction with our guests also ensured that personal touch and without doubt contributed to so many indelible memories of the night. Thanks again, there are not enough accolades for me to describe how fantastic Rapture was.

Phil Heffernan – Australian Bridal Industry Awards

They were very responsive to the mood of the audience. It did not take long for people to get up onto the dance floor and remain there until the end of the evening.

Dr Natalie Taylor - Australian Institute Of Criminology

We were all impressed with the calibre of the musicians and the singer. We know that they take pride in what they do, which means they enjoy the challenge of giving you what you want.
